

Classic-Mini, Classic-1, Classic-2

The EASyL Classic slimline pochade boxes come in three sizes, specifically designed for the plein air artists who wish to have an easel for travel: Classic mini, Classic 1, and Classic 2.

The difference of these EASyL range pochade boxes from the standard EASyL easels is without a built-in wet panel carrier. As a result, Classic boxes are much slimmer and compact for travel. While all the rest features: ergonomic design, superb craftsmanship, and patented unique hinges and knobs for adjustment of painting angle etc. offer the ease of use to the most discriminating plein air artists.
